

Offstreet Parking Space Calculation

The number of spaces is based on Religious Institutions, Place of Assembly requirements in Table 541-1 of the Minneapolis Zoning Regulations.

The main assembly space plus adjacent space contains 908 net s.f. At 7 s.f./occupant, there are 130 occupants.

10% of 130 occupants = 13 spaces

A one (1) space reduction is permitted for bicycle parking.

A total of 12 offstreet spaces are divided into 9 standard and 3 compact spaces.
